Tēnā koutou katoa,

What a year it has been. With only a couple more weeks until the end of the year it seems like a good time to say thank you to you our Edendale whānau/community. We really appreciate all the support, kind words, understanding and help that you have offered the school this year. It has been an unprecedented year with the global pandemic and with schools having to be innovative around the way we teach and learn to cater to online learning. Thank you for your patience as we have created and refined the online teaching and learning process.

We are really happy to have been able to go ahead with the school camp for our year 6's which they are on currently. Thank you to the parents who are helping with this camp organising tents as well as attending the trips or staying overnight. Without parent help, we would struggle to do events like this.

Also thank you to those parents who have paid it forward to help others attend the trip whom might be struggling to afford the cost. This has played a big part in the camp going ahead.

We have also had our junior and senior athletics days recently. The students really enjoyed getting out in the nice weather and had a lot of fun over these days.

As a school we are really pleased to announce that we have successfully applied to become a 'Signatory to the Education (Pastoral Care of International Students) Code of Practice'. This means that once the borders are opened back up we will be able to have international students attend our school.

As per our Sun Protection policy, Edendale tamariki must wear a sun hat when they are outside during term 1 and term 4. We also encourage students to wear sunscreen and keep hydrated by drinking water.

**PhotoLife:** A reminder to please place your PhotoLife classroom photo/sibling/portrait photo orders online before 29 November. If you are having any difficulty with the individual codes sent home last week to access your child/ren's photo(s), **please contact PhotoLife directly on the numbers below.**

This includes any sibling photos where the separate code has not been linked to your individual student code on their forms for portrait and classroom photos.

**Zero to Hero Week 23-27 November:** We're celebrating zero waste living and zero emissions. Bring a zero waste lunch to go into the prize draw: naked food is good, like cut up fruit and vegetables with sandwiches, wraps or leftovers (food from Edendale Eats tuckshop is also zero waste). Bring along an old children's book to swap with another: preschool, junior and senior sections. There's popcorn popped from bulk bin kernels - just \$2. Bring an empty container or reusable ziplock bag from home and choose a flavour to shake on: home popped popcorn is a great alternative to crisps or seaweed in plastic packaging. Don't forget Wheels Day - bring your wheels in for some wheelie good fun! Walk or wheel yourself to school on Friday to go into a special class draw.

**Monday 23 & Tuesday 24 November**

Bring a zero waste lunch for the prize draw

**Wednesday 25 November**

Swap a Book - front court 8:20 – 9:00am & 11:00-11:30am

**Thursday 26 November**

\$2 Popcorn & empty container - front court 8:20 – 9:00am & 11:00-11:30am

**Friday 27 November**

Wheels Day - bring your wheels to ride on safe tracks at break times

**Volunteers needed**

Next week we still need more helpers. Would you be able to help?

25 Nov, 8:00-9:00am Book Swap (and 11:00-11:30am, if you can)

25 Nov, evening - popping popcorn at home

26 Nov, 8:00-9:00am Popcorn sales (and 11:00-11:30am, if you can)

Please email [fleur@edendale.school.nz](mailto:fleur@edendale.school.nz).

**Evening Eco Workshops at Edendale 6:00-7:00pm**

These wonderful workshops are all booked out. We would like to thank Kelly Pretty, Eco-Neighbourhoods and the Albert-Eden Board for all their help.

**Book fair update:** Thank you for supporting the Book Fair

We sold over \$6900 in books and stationery, this means we have **\$2400** to spend on new books for our school library.

*friends of* EDENDALE PRIMARY SCHOOL

**School Disco**

We made \$3500 at this year's disco! Thanks to all those who came along on the night, and all the volunteers, house captains, staff and bakers, who made this event happen!

### Cards & Calendars

Hopefully all those who ordered in the first round will have received their artwork now.

Please let us know if there were any issues with your order, email us at

[pta@edendale.school.nz](mailto:pta@edendale.school.nz). The next round of orders should be on the way soon.

A big thank you to all those who supported this event, and to all the kids for their amazing artwork!

### Bake Sale

We raised \$915 at the bake sale on the 6<sup>th</sup> November. It's great to see so many families taking part in the baking, it's really appreciated, as well as the kids and parents who helped out at the sale. And of course those who purchased the food!

**Our next bake sale is a Christmas Bake Sale on Friday 4<sup>th</sup> December. Hosted by rooms 9 and 10**

Yummy treats will be available in two locations near the gates in the school grounds from 2:50pm. We will close by 3:30pm when the school gates are shut. Please remember to bring along some cash on the day.

### Fundraising Raffle

The winners of the raffle hampers were announced last week. Congratulations to all those who won! And thanks to all those who purchased tickets. We raised \$324!

### Meetings

**Our next meeting will be on Thursday 19<sup>th</sup> November.** This will also be our AGM, and our last meeting of the year. The meeting starts at **7:00pm** and is held in the meeting room (off the office foyer). If you would like to join us, email us on [pta@edendale.school.nz](mailto:pta@edendale.school.nz) or just show up to the meeting. It's always great to have new people come along and see what is involved with the PTA.

And finally, we were previously discussing the idea of holding a school community get together as our final event for the year. Unfortunately we've had to make the decision to not ahead with it this year. With the shortened term and such a busy end to a very unusual year, we aren't able to make it happen.

We are really looking forward to the new year and a fresh start with 2021, so keep an eye out the beginning of the next school term for some fabulous community events.

## Auditions for The Auckland Girls' Choir

The Auckland Girls' Choir is looking for girls aged 10 to 17 to be part of their Choir and has invited girls, within that age group, from Edendale School to audition.

**Some background information about the choir:** With a proud tradition spanning more than 20 years, the choir was established to provide accessible, enriching choral experiences for young girls from the greater Auckland region. To date the choir has attracted girls from over 50 different schools, reflecting the rich ethnic and socio-economic diversity of the greater Auckland region.

**Requirement to audition:** No prior singing experience is needed, but a passion for music and a desire to learn. Membership in the Auckland Girls' Choir is via audition where vocal fluency, musicianship, and overall potential will be assessed.

For more information about the auditions process please refer to the [Audition Information Sheet](#) and complete the [Application Form Online](#) or [Download](#) from [the Auckland Girls' Choir website](#) to apply.

**When:** Auditions for the 2021 intake will take place on:

- Sunday 6<sup>th</sup> December, 9am to 4pm ([a new date added due to popular demand](#))

If accepted into the Choir, girls are expected to attend weekly choir rehearsals that span the regular school year. Attendance at a separate weekend workshop in each of the four school terms is also required, as well as full commitment to all performance engagements.

For more information about the choir, its history, values and operation please refer to the choir's [FAQ](#) section on their website.

# KORU

## Dear parents and caregivers,

As the end of the school year is nearing, we would like to take this opportunity to express our thanks to all parents and caregivers for your unwavering support throughout 2020. Our trip to MOTAT was successful with many new learning opportunities for the children to experience. The trip was made even more memorable with the great weather on the day! The Year 1-3 Athletics Day was also a great success and with all the children participating with enthusiasm and encouragement for others. Have a safe and relaxing holiday and we will see you in 2021.

Kind regards,

Koru kaiako

Rosie, Yashika, Adrienne & Fabienne

Koru classes had a fantastic time at MOTAT... We all agree that school is more exciting now than it was in the past.

## Reminders

- Please remember to bring hats each day and apply sunscreen before school
- Return library books and readers before Monday 30 November

## End of year approaching

It has been a very strange year with Covid and lockdowns, but despite that, it has been an exciting year full of learning and adventures. We are all very sad to be farewelling our classes in a few weeks time. One of the highlights of teaching is seeing the students grow in so many ways. It's incredible to look back to the start of the year and see the progress tamariki make over the year. Seeing a child's reaction when they grasp a concept - an unbeatable lightbulb moment. Watching new relationships flourish, the development of independence and resilience - all great class moments. This year has been particularly challenging for the tamariki and we are so proud of how they have managed themselves and cared for one another.

We wish you all a very happy and relaxing holiday - well deserved this year. Hope it's a great summer and we look forward to 2021.

The children had so much fun participating in the year 0-3 athletics day last Thursday. They participated in a range of field events such as high jump, long jump, frisbee throw and shotput. The children also did a great job in the running races and it was great to see them give it their all, and also show sportsmanship. Thank you to all the parents who came and supported their tamariki.

# MOTAT trip

All of the year 0-3 classes went to MOTAT to learn about simple machines. We had a great time playing with the equipment in the teaching room and exploring the giant simple machines, such as the Archimedes screw. Our guide at MOTAT was impressed with all the knowledge we had about simple machines. It was a great way to wind up our physics inquiry unit.

Have you ever been to MOTAT? Well ... I have!! So I will tell you about it. I went with Imelda, Lillie, Frank and Bradley. When I got there it was 10 o'clock. My favourite thing was ... the car room! And the machine makers. We went to have lunch, then we went on the tram and then we went home.

Olivia

Have you ever been to MOTAT? Well I have. I just went yesterday with my class, Room 7. My group had Thevan, Bea and Harriet, and Matt was our leader. First we went to the classroom. When we were finished we went to the jail. First I locked myself up and my group all thought it was scary. I thought it was like solitary confinement. I loved it so much. Then we went to the gaming place and I loved it. Then we had lunch.

Levi

## MATHS

Students measuring to find out if kilograms and litres are the same or different.

The children have loved swimming this term and it has been great to see them gain more water confidence. A reminder that we will be swimming every Thursday for the rest of the year. Please make sure your child brings his/her togs, swimming cap, towel, goggles (optional) and that they also wear sunscreen.

## Celebrating Writing

If I was in charge of the world I would make the world a happier place. First what I would do is get all the mean people and make them nice, so that all the people in the world are nice and kind. Then I would make the world a better place by planting lots of trees and other plants, as well as making people stop littering. After that I would make people stop killing animals (mostly baby ones). I would also donate money to charity. As well as all of that I would make people eat more healthy food and have people try to make their own food, so that we don't have lots of packets everywhere. I would also try to clean up the beaches.

### A Day in the Life of Coco the Cat

"Yawn." I woke up at 9.15. Today I will go see my friends. First I am going to ask Mum for food. So I got my food and then I went back to bed for a nap (I have 10 naps a day). I then woke up as Mum came in and picked me up and then put me down.

She started to cook sausages and they smelt really good. I jumped up on the bench and begged for some sausages. She gave me half of them and then when she went to school I ate the rest of the sausages. After that I was so full

# AKORANGA + ĀNIWANIWA NEWSLETTER

Tēnā koutou katoa,

It is hard to believe that we are just a few weeks away from the 2020 summer break. We all including our young learners found this year challenging on different levels, but we learnt innovative ways to manage the unusual circumstances. We are so proud of our tamariki for rising up to all the challenges that came their way throughout this year, and they consistently portrayed our Edendale values of Innovation, Resilience, Inclusiveness and Respect when dealing with these challenges. Here is a whakatauki to sum up this year:

**He kai kei aku ringa  
There is food at the end of my hands**

This whakatauki signifies resilience, empowerment and hope. It refers to one's ability to use the skills and resources they have to create success. It's about being responsible for the resources and capabilities one needs to grow and develop.

*A message from the  
Akoranga & Āniwaniwa  
kaiako*

Room 1 have been having a big bird focus inspired by the NZ Bird of the Year Competition! They've been making bird masks, researching native birds and much more!  
What native birds can you see in your community?

# AKORANGA

Hayley, Philippa & Callum

Athletics day was great fun! We were impressed by the skills shown. Our tamariki participated in both track and field events. The tamariki were placed into their houses and it was lovely to see the bright colours, team work and inclusiveness demonstrated over the course of the day.  
Ka pai!

Despite the rain, our trip to MOTAT was an engaging learning experience. We had hands on experience with simple machines, explored both the past and the future and rode on the tram. Some tamariki even assisted the driver...

"I liked looking at the interesting machines" Dom

"I ran like a hamster on the giant wheel" Baxter"

"I controlled a ball with my mind. You need to be calm to make the ball move. It read my brainwaves."  
Sathvik

In week 5 & 6 Akoranga have been working hard with Kus on putting together an art project... Staytuned to see what they create!

# ĀNIWANIWA

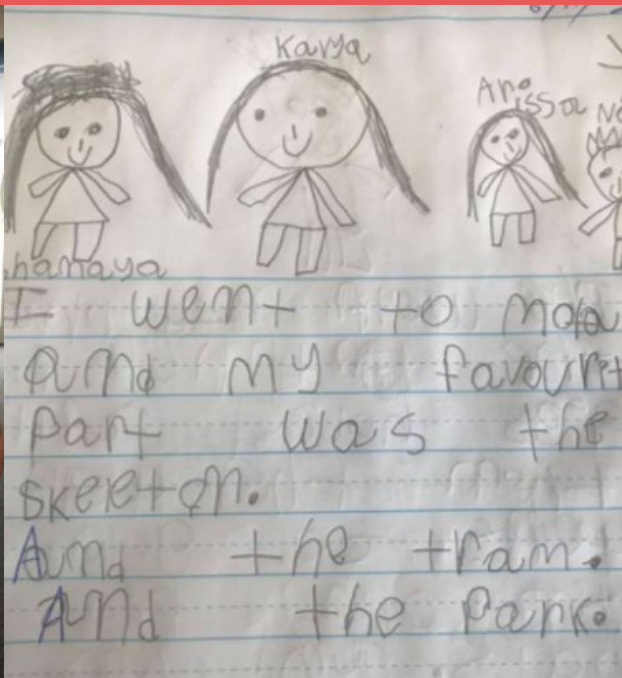

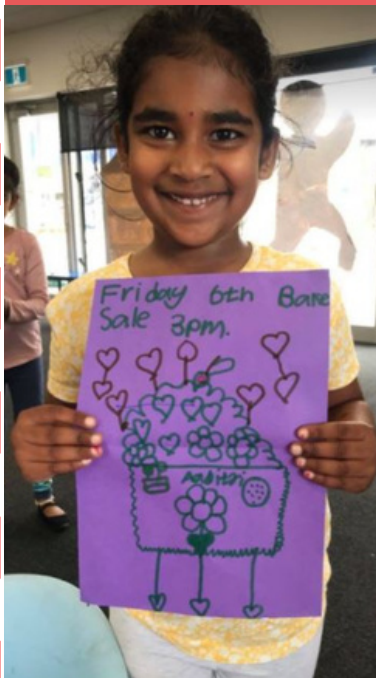

Aine, Suzie & Grace

Āniwaniwa has had so much fun this term. We loved our trip to Motat which built on what we had learnt in science on simple machines.

We did some baking and made gingerbread men, they were delicious and our children were very good at listening to instructions.

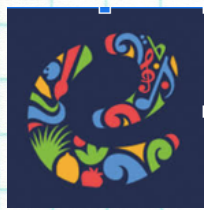

This term has also seen Āniwaniwa and Akoranga host the bake sale. Thank you to everyone for all of the delicious baking making our fundraising event a success.

We have seen such improvement in our aspiring writers pop in and take a look at your child's writing book.
