

## Year 4-6 Learning (Music) @ Term 1-2021

### Sing along!

Let us start with some singing!  
Click on the link [Waiata for NZ schools](#) and sing along with these songs that are chosen especially for students in NZ. You might find your favourite song here or decide to learn a new song!

Enjoy the ones you know but also listen to the ones that are unfamiliar to you.

### Fun with rhythms

[The cup game](#) - you can do this one on your own but it is always fun to invite someone to do it with you.

[Tic-tac-toe clapping game](#) - you need a second person for this game

Make sure you are on time and following the BEAT and the RHYTHM precisely. Start slow and speed it up once you are confident you know the rhythmic patterns.

*(If it is too fast at the first, you can slow the speed down by going into the video's settings and click onto playback speed. Choose the tempo you want. You can change it back to the original speed any time you are ready to go faster!)*

### Creating your own song

How about composing your own song using the [Chrome Music Lab](#) app on your device?

You can click on the link below and watch the video that will help you to use Chrome Music Lab.

## Let's Sing!

### Maimoa - Wairua (Maori/English Color Coded Lyrics)

- In this song, a few New Zealand musicians came together and they are telling us about one way how we can feel better when dealing with our emotions.
- Watch the video. There are two versions: the original with only the Maori lyrics and a second version with the English translation.

### Maimoa - Wairua (Original song with only the Maori lyrics)

Think about different ways we can deal with our emotions in a positive manner. Make sure you include ways that involve music.

## Body percussion rhythms

What is body percussion? Watch this video [InRhythm Body percussion](#) and see if you are able to keep up with these students!

How about creating your own body percussion rhythms? Make sure it fits in with the original beat. Have fun!

## Singing with sign language and ukulele chords

Sing along with previous winners of this songwriting competition.

### Hook, line and sing-along songs

Some songs have the NZ sign language version and the ukulele chords so that you can have more fun while learning!
